## THANK YOU

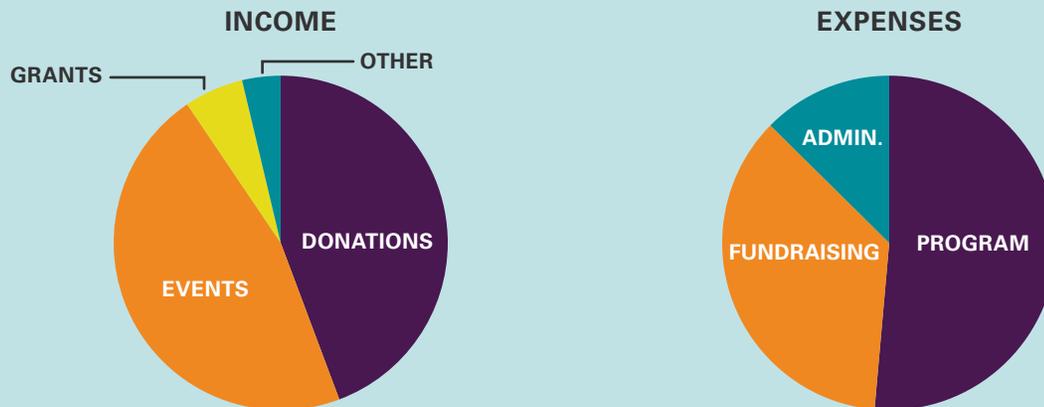

With the support of generous donors, like you, who invest in the next generation, Springfield children have opportunities to reach their fullest potential. Thank you for believing in the power and urgency of equitable public education.

## WHAT WE DO

The Springfield Education Foundation empowers student success through community engagement. We are dedicated to supporting innovative programs that encourage student participation and connection. Through these targeted efforts, we have seen a reduction in absenteeism and a significant increase in students graduating from Springfield schools who are prepared for college and careers.

## HOW WE GET IT DONE

Responsibly stewarding the resources donated by our dedicated community is our priority. We invest in ways that ensure a practical, lasting impact on Springfield students for years to come. *IRS form 990 available upon request.*
