Gratitude Report

THANK YOU

With the support of generous donors, like you, who invest in the next generation, Springfield children have opportunities to reach their full potential. Thank you for believing in the power and urgency of equitable public education. During the ever-changing educational environment of the 2020-21 school year, SEF was able to grant twenty Innovative Educator Grants totaling $44,000, the Frank Sherman Grant for Physical Education ($1,200) and the Social-Emotional Learning Grant ($1,000). With your help, we will continue to make a positive impact by supporting Springfield students into their bright futures.

WHAT WE DO

The Springfield Education Foundation empowers student success through community engagement. We are dedicated to supporting innovative programs that encourage student participation and connection. Through these targeted efforts, we have seen a reduction of absenteeism in Springfield Schools and an increase in graduating students who are prepared for college and careers.

HOW WE GET IT DONE

Our priority is to responsibly steward the resources donated by our dedicated community. We invest in ways that ensure a practical, lasting impact on Springfield students for years to come. *IRS form 990 available, upon request.*
