IE Grant Evaluation Form

Deadline: Required Completion by **June 30, 2023**.

Dear Grant Recipient,

We are interested in the implementation of all projects funded by the Springfield Education Foundation and the impact on students and learning. As a grant recipient, we want to know if you met your goals, and what the results were. We want to share how SEF Educator Grants are making a difference. Your input will help us leverage the most successful projects, inspire community support and generate additional resources to enhance educational opportunities in Springfield Public Schools.

Your responses are confidential and will only be seen by Springfield Education Foundation board members. In addition, this information will only be used to evaluate the Granting process. Any information we collect will not impact future grant applications.

For a school to receive future grants, an evaluation from needs to be filled out by all grant recipients.
