IMPACTING EDUCATION

SEF donates $10,000 to support SPS Family Resource Centers

SEF had the opportunity to present at the **Impact Club Eugene** quarterly event in July. The Impact Club members awarded $8,000 to SEF in support of the SPS Family Resource Centers. With the addition of $2,000 from SEF's Basic Needs fund, we were able to award 20 Springfield Schools $500 each to help the Resource Centers provide essential items for students and families.

These donations allow our FRCs to purchase basic needs supplies like healthy snacks, hygiene items, and clothing to care for our most vulnerable students. Many families visit the FRC in their student's school to learn about resources available in the community they otherwise may not have access to. The Family Resource Center Coordinators connect students and families with the important services they need to help them thrive.
